

Super Supporter Awards 2025

Corporate sponsorship has always been an important part of Swimarathon's history and we recognise that our sponsors have been extremely generous supporters over the years.

The Skipton Swimarathon organising committee has chosen to support St John Guernsey this year as its chosen charity. This long-established local charity is dedicated to providing first aid treatment, education and training across the Bailiwick.

The awards are divided into four categories based on the amount of funds raised by each organisation each year. A special branded icon has been created to show recognition of the efforts to achieve each level.
